MEALS FOR HEROES, REVENUE FOR RESTAURANTS

Helping our local Restaurants

Collaborating Partners

Two of the most impacted industries during the COVID-19 Virus Pandemic are Hospitality and Medical. County Health orders restricted restaurant operations, which has had a negative effect on revenues, and for some, to even remain in business. Staff at St. Louise Reginal Hospital and De Paul Health Center have been working tirelessly and endless hours saving lives and helping to keep community members safe. "Meals for Heroes, Revenue for Restaurants" will help our local businesses to create income and benefit our local health workers.

Gilroy Foundation is working in collaboration with Gilroy Downtown Business Association, Morgan Hill Community Foundation, and Morgan Hill Downtown Association to raise funds to purchase ready-to-consume meals from struggling restaurants and delivering them to both medical locations.

We will purchase 60 meals/day at a cost of \$20/meal; therefore, the cost

for this program will be \$1,200 per day. This program will run three days a week on the restaurants' less busy days: Monday, Tuesday and Wednesday.

Gilroy Foundation has established this fund with \$5,000 to start the program immediately. Morgan Hill has also collected funding for the program. If you wish to donate, any amount, please do so [HERE](#) and join the cause.

We are delighted to join this South County collaboration to help our small businesses!
