

## **CRITERIA FOR THE 2022 YOUTH BOARD GRANT**

**Note: Applicants for the Youth Board grant are also eligible to apply for a Gilroy Foundation Competitive Grant for the same year.**

In reviewing grant applications, in addition to evaluating the potential impact of the requests, Gilroy Foundation Youth Board gives careful consideration to:

1. Programs which would contribute to Youth, Therapeutic Animal Services, Rescue Animal Services, or the Senior Citizen Community of Gilroy and the surrounding area by addressing the cause of major problems rather than merely discussing their continuing effect upon society.
2. The extent of local volunteer involvement and support for the organization's board.
3. The organization's fiscal responsibility and management qualifications.

Organizations must be properly constituted and organized with a board of directors, by-laws, financial records, and controls. Grant consideration cannot be given either to individuals or to organizations that do not have their nonprofit, tax-exempt 501(c)(3) status from the Internal Revenue Service. You must also submit a copy of the California state **RRF-1**. Grant applications will also be accepted from all Gilroy public and private schools and the City of Gilroy.

### **GUIDELINES**

**REQUIRED REPORTS:** TERMS OF GRANT FORM provided with a winning Grant letter must be signed and returned before funding is made. A FINAL REPORT is due by September 30 of the grant year. Failure to submit a complete Final Report by September 30 shall disqualify the

organization for consideration for another grant for the following year, or any year until the missing Final Report is submitted. The Final Report is available online.

In authorizing grants, the Foundation gives preference to projects of the following types, whether undertaken by existing agencies or by new agencies.

1. Projects or programs aimed at providing needed facilities or services, for which public funds are either not available or not sufficient and the Foundation's contribution, either by itself or in conjunction with other private support, would have a significant impact.
2. Projects that will provide leverage in an agency's ability to secure other funds.
3. Projects that, in responding to known community needs, are designed to coordinate or consolidate community services in an effort to reduce overhead expenses, increase efficiency, or eliminate unnecessary duplication.

**The finalists will be asked to attend a Youth Board Zoom Meeting in February 2022, to give a presentation to the members on their organization. As well as a Q&A Session.**

#### **OTHER CONSIDERATIONS:**

In addition to the above mentioned three types of projects, consideration MAY be given to grant applications from organizations that have a history of contributing to the Education, Therapeutic Animal Services, Rescue Animal Services, or the Senior Citizen Community of Gilroy and its surrounding area, but whose grant application may not otherwise meet the criteria of the Gilroy Foundation.
