

March 2022

Dear Gilroy High School Teachers,

After a two-year interruption, we are pleased to announce the return of **The Bress Family Fund** grant program. The purpose of this donor-advised fund is to support academic excellence in Gilroy High School classrooms.

Grants ranging from \$500 to \$6000 will be awarded to teachers for the purpose of improving and enhancing instruction in courses offered during the regular school day. Since 2013, funds have been given to a wide range of classrooms, including science, world languages, biotechnology, special education, video production, and more. We do not fund field trips, after-school sports, extracurricular activities, or classroom furniture.

The grant application for the 2022-23 academic year is due on April 15, 2022. All applicants will be notified of the results by May 15, 2022.

This grant program is dedicated to all the teachers and counselors who taught and supported our children, as well as the thousands of other students who have been impacted by the knowledge and life advice they received at GHS.

The application form is available online: [www.gilroyfoundation.org/receive/grants](http://www.gilroyfoundation.org/receive/grants). We look forward to reading about exciting projects which will positively impact students and staff.

Sincerely yours,

**Rhoda and Martin Bress**
