

March 2023

Dear Gilroy High School Teachers,

We are pleased to announce the ninth year of **The Bress Family Fund** grant program.

Gilroy High School teachers are invited to submit their ideas for improving and enhancing instruction in courses offered during the school day. These requests can range from \$500 to \$6000. Since 2013, funds have been given to a wide range of classrooms, including science, world languages, biotechnology, art, special education, video production, and more. We do not fund field trips, after-school sports, or extracurricular activities.

The grant application for the 2023-24 academic year is due on April 30, 2023. All applicants will be notified of the results by May 15, 2023.

This grant program is dedicated to all the teachers and counselors who taught and supported our children, as well as the thousands of other students who have been impacted by the knowledge and life advice they received at GHS.

The application form is available online: [www.gilroyfoundation.org/receive/grants](http://www.gilroyfoundation.org/receive/grants). We look forward to reading about exciting projects which will positively impact students and staff.

Sincerely yours,

**Rhoda and Martin Bress**
