Special Projects and Partnerships Guidelines and Criteria

The Gilroy Foundation is dedicated to building and energizing a community of philanthropists who strengthen the common good of our community.

Donors can count on our professional, dedicated staff to help accomplish giving goals.

The Gilroy Foundation can accept donations to run a project to benefit our community. We can handle the renovation of a building to purchasing items for a community program.

We work directly with our donors to make sure their donation is being used as intended and with maximum impact.

- Projects and Programs must benefit the Gilroy community.
- Projects must be within the geographical area of Gilroy.

At the completion of the project or program, the Gilroy Foundation will provide a complete accounting to the donor with a final report.

The Gilroy Foundation can also partner with other community organizations through grant application processes and/or memorandum of understanding (MOU) when the outcomes are in alignment with the Foundation's giving policies and priorities.
